## **Background:**

### **Dakota Christian School:**

Dakota Christian School seeks to educate children in grades preschool through 12 in the light of God's Word. DCS is accredited by the State of South Dakota. Our school is a member of Christian Schools International, as well as CSI District 6 locally. Our staff is composed entirely of evangelical Christians committed to the task of nurturing our young people for Christian service in God's Kingdom.

## **Philosophy:**

We believe parents have the primary responsibility from God to provide consistent Christian training and nurturing for their children (Ephesians 6:4). Realizing this awesome responsibility, parents have organized Dakota Christian School to be co-laborers, preparing young people to be Christian citizens and leaders in God's world and teaching them to let Christ permeate every part of life.

The basis of this Christian school is the infallible Word of God, written in the Scriptures of the Old and New Testament, as they are generally interpreted in the historic evangelical confessions of faith. In accordance with these confessions, we hold unreservedly to the sovereignty of God, revealed in the Lordship of Jesus Christ over the world and thus over every department of human activity, and submit unconditionally to the authority of Holy Scriptures, thereby recognizing these Scriptures as the supreme and final standard for Christian education and all other matters of faith and life. Students, regardless of their career choice or calling in life, grow in wisdom to know God and to respond to Him in every dimension of creation and in every aspect of their lives.

Acknowledging Christ's preeminence as Lord of the universe (Col. 1:18), as Redeemer of a people fallen into sin, and as the Sovereign Ruler over all of life, education at Dakota Christian School is a refreshing and renewing alternative to government education, "...so that we are not conformed to this world but transformed by the renewing of our minds". (Romans 12:1-2)

## **Mission:**

The mission of Dakota Christian School is to assist parents by providing education based on a biblical worldview, thereby enabling children to grow in Christian wisdom, to nurture godly character, and to serve Christ as Lord. (Philippians 2:11, II Timothy 3:17)

## **Non-Discrimination:**

Dakota Christian School admits students of any race, color, national, and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national, and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

## **Family Educational Rights and Privacy Act of 1974:**

The Family Educational Rights and Privacy Act of 1974 (Public Law 93-380) is applicable to any school. This law provides for limited accessibility to the student's records by the person who has legal responsibility for the student, for the right to challenge any misleading or inaccurate information contained in the student's records, for the necessity of obtaining written permission to release records to those legally responsible for the student, and for the responsible parties to be notified of their rights under the law.

In order to comply with the law, Dakota Christian School employs the following policies:

1. To secure the student's and the family's right of privacy within the school, only the Administration and designated school personnel, in the fulfillment of their respective functions, may have access to the student records.
2. Outside of the school community, only the person(s), usually the parent(s), who has legal responsibility for the student may have access to that student's records. Any parent or adult student request must be honored within fifteen days. When actual inspection of a child's file is made, this will be recorded on a log sheet kept at the front of each child's cumulative folders. On this log sheet the following information is to be recorded: date of visit, name of person examining the records and, initials of personnel handling the conference.
3. The school will not release the information contained in the student's records to other parties without the prior written consent of the person legally responsible for the student. This written consent is accorded by the school's record release form.

4. According to the law the school is authorized to release information contained in the student's records without permission to certain federal, state, and local authorities in the performance of their functions, and to the court or law enforcement officials, upon the issuance of a subpoena or court order.

### **Dakota Christian School Goals:**

1. **To guide students to choose Jesus as their Savior and Lord in response to God's covenant.**
2. **To establish a Christian value system based on the Bible.** Students must be assisted and led to make choices rooted in God's Word so that decisions in daily life are made in accordance with the will and way of Jesus Christ.
3. **To develop a desire to learn about and enjoy God's creation.** We seek to stimulate in students a desire to investigate and probe what God has created and what he has enabled man to discover and develop. We nurture the joy of discovering the vastness and beauty of God's creation.
4. **To develop skills to assume their place of responsibility in God's kingdom and society.** We seek to refine the basic elementary skills while expanding to make students proficient in thought processes, oral skills, and the skills of proper social interaction.
5. **To develop the unique potential of each individual as an image-bearer of God.** We help students realize they are image-bearers of God with individual talents and needs. Opportunities are given to explore potential in areas such as choral and instrumental music, drama, term papers, special projects, and sports. Guidance testing is also conducted to direct students to identify their own God-given abilities, capacities, and interests.
6. **To develop Christian character and behavior.** We seek to develop within the students a knowledge of God's Word and the world. We help students realize that every thought and action in study, sports, work, and leisure must be brought into captivity to obedience in Christ (II Corinthians 10:5). Thus, love and forgiveness are basic ingredients in Christian students' lives, bearing witness of Christ in the community.
7. **To develop physical, emotional, spiritual, and mental health.** With the foundation of the Word of God, principles of living are taught in class, in physical education, school-sponsored social activities, and personal counseling.

### **Admission Policy:**

We have designed our admission policy within the framework of our mission as a Christian school. Therefore, we will admit students from all families who are members in good standing of an evangelical church. The board does reserve the right to request an interview with a prospective student's family, if the board believes the need for an interview exists.

### **6. Right of Appeal**

Students removed from class due to a violation of the Attendance Policy have the right to appeal this action to the Administrator. Further appeals may be made to the Education Committee.

## **Expectations of Parents:**

### **1. Parental Concerns Regarding School Personnel:**

Misunderstandings or problems can arise between staff and students, teachers and parents, or parents and the school. Matthew 18 is our guide:

- A. First, go directly to the staff member.
- B. If the situation is not cleared up, bring it to the attention of the principal.
- C. If the problem is still not solved at this level, it should then be presented in writing to the school board president for assignment to the appropriate committee for consideration and action.
- D. A written appeal from the committee, the parent(s), or teacher may be brought to the full board for its consideration.

### **2. Parental Involvement:**

Dakota Christian School needs active and full parental involvement in the education of their students.

Therefore, we urge parents to:

- A. Attend all scheduled parent-teacher conferences to discuss student progress, the various fund-raising activities, and as many public student activities events as possible.
- B. Volunteer to chaperone class activities, and drive for field trips or athletic events.
- C. Be supportive of the academic, extra-curricular, and disciplinary policies, as well as the expectations of the school.
- D. Be active members of the Fellowship, as all parents of DCS students are regular members of the Fellowship Committee (Article III of Fellowship By-Laws).

## **Expectations of Students in Academics**

### **1. Graduation Requirements:**

- A. The state of South Dakota requires students to successfully complete twenty-two credits to graduate. One credit equals two semesters of course work.
- B. A cumulative grade point average of 3.0 or greater entitles a student to graduate with honors.
- C. Classes are combined 9/10 and 11/12. As such, students might take the junior regiment of courses during their senior year; the same applies for freshman taking sophomore classes.
- D. A valedictorian and salutatorian will be named from the senior class after all grades are reported for the fourth quarter. Highest GPA achieves valedictorian, second-highest GPA achieves salutatorian.

**2. Early Graduation:**

Students may graduate prior to the completion of grade twelve if the course work required for graduation has been completed. In such cases, the student must have the approval of the board upon recommendation by the principal.

**3. Attendance Certificates:**

A student who has attended four years of high school, has a good attendance and conduct record, and has earned 20 credits may receive an Attendance Certificate rather than a diploma at graduation. Although the certificate is not the equivalent of a diploma, no distinction will be made between the two at graduation.

**4. Alternate Methods of Earning High School Credit:**

South Dakota has made it possible for upper classmen to enroll in eligible post-secondary institutions. Eligible students may take classes at four-year colleges and technical colleges, with administration approval.

Courses may be in the area of math, science, social science, humanities, vocation-technical education, and career option programs. The student will pay all related tuition, books, materials, and fees.

Dakota Christian School will provide a post-secondary option to students who are eligible under our policy. Our goal is to provide extra academic challenges and offer courses not available at DCS. We encourage students to plan their academic goals with the help of the administrator.

**Dakota Christian School has the following Post-Secondary Options Policy:**

- A. Students must have successfully met, or are in the process of meeting, DCS's graduation requirements.
- B. Students must work the college courses around DCS's class schedule.
- C. The parents and administrator will agree with the student that this is in the best interest of the student.
- D. Students will complete the necessary forms before the end of the school year and return them to the administrator.
- E. The college will give the student college credit and DCS will give high school credit for the course. It will be figured in with the student's GPA at DCS as well as with students GPA at the college.
- F. DCS will determine how much high school credit per South Dakota Legislative Guidelines.
- G. An administrator will supervise the course work.

**Correspondence or Internet Courses:**

Students may earn credit for courses that are successfully completed through an approved correspondence or internet program using the following guidelines.

- A. The courses may be in the area of math, science, social science, humanities, vocation-technical education, and career option programs.
- B. The student must have successfully met, or be in the process of meeting DCS's graduation requirements.
- C. Students' 9<sup>th</sup>-12<sup>th</sup> grade, may enroll in more than one online course per semester with administrator approval and following the HSDC guidelines.

**5. Grading:**

Students are evaluated in course work to provide an understanding of their achievement. Students are encouraged to discuss their grades with their teachers, advisors, the principal, and their parents.

Report cards are issued every semester. Grades can be followed on the school's grading program, JMC, at any time. The A-B-C-D-F coding will be used for grades. An explanation of grading symbols will appear on student transcripts along with information on grade-point values. In determining GPA's, the following values are assigned to letter grades:

A	4.0	A-	3.67	B+	3.33
B	3.0	B-	2.67	C+	2.33
C	2.0	C-	1.67	D+	1.33
D	1.0	D-	0.67	F	0

The grading scale used by DCS is as follows:

A	100 - 95	A-	94 - 93	B+	92 - 91
B	90 - 85	B-	84 - 83	C+	82 - 81
C	80 - 75	C-	74 - 73	D+	72 - 71
D	70 - 65	D-	64 - 63	F	Failure

**6. Academic Eligibility:**

Students participating in any extra-curricular activities will be expected to maintain a GPA of 1.33 (D+) per semester, not cumulative, and must be passing all classes. Students will be evaluated two weeks into each semester and weekly afterward to determine their status. If a student is failing said standards (except at the end of the semester), he/she will be ineligible for one week in all extra-curriculars. They can be reinstated if meeting the standards after the one week period. A grace period of 2 weeks will be given at the beginning of each semester.

**7. Standard for Written Work:**

- A. Daily assignments to be turned in must be completed as neatly as possible. Answers must be clearly visible and cross-outs kept to a minimum.
- B. Formal work (such as laboratory reports, book reports, and other papers) must be typed (unless informed otherwise by the teacher) double-spaced, with margins, titles, and other information included as directed by the teacher. Spelling, sentence structure, and grammar must demonstrate clarity and carefulness, depending upon the teacher's specific instructions.

- C. All hand-written work on assignments, quizzes, and tests must be readable. Any answers that cannot be deciphered will be marked incorrect.
- D. The bottom line: Your work reflects your values. Take pride and show pride in your work.

**8. Drop-Add Procedure:**

A student must have permission (indicated on a slip signed by the principal, by parents, and by all involved teachers) from the principal to drop or add a course. This must be done within the first five days of the course.

**9. Homework:**

Homework plays a vital part in our educational program and therefore will:

- A. Reinforce lessons taught at school.
- B. Help students gain self-discipline.
- C. Promote good study habits.
- D. Complete work that cannot be completed in a normal school day.

Homework assignments will be kept to reasonable limits; ordinarily a maximum of two hours for all classes combined. Most homework assignments should not take longer than a half-hour in a single class. Tests, however, may require more than a half-hour of study.

**10. Late Work:**

Any assignment that is turned in late will be marked as late. 50% will be deducted from a high school course, 25% from a middle school assignment. Late and missing work reports will be run weekly. Students on the report will be required to stay after school or come early the next day to work on assignments. In severe situations, students might miss extra-curriculars to make up their work.

**11. Semester Exams:**

Semester exams will be given in nearly all courses to all high school students. The teacher and principal may decide that in certain classes an exam would not be of value or necessary for the students. Semester exams will account for 20% of the semester grade in grades 9-12 and 5% of the semester grade for grades 7 and 8.

High School students will have the option of opting out of one (1) exam each semester, provided they end the semester with an 'A' in the class (A- does not qualify) and have 5 or fewer absences in that class. During spring semester, seniors may exempt all exams for which they meet the criteria of an 'A' and 5 or fewer absences.

**12. Standardized Testing Program:**

In addition to tests in courses and semester exams, students will participate in other school-wide and group-wide tests. These tests, which are usually given in the fall and spring, may include the Smarter Balance testing, PSAT, PLAN, and the Armed Services Vocational Aptitude Battery (ASVAB). Other surveys and assessments are administered for career planning purposes.

**13. Service Learning:**

Dakota Christian encourages students to grow in Christian wisdom, to nurture godly character, and prepare for a life of service to Jesus Christ through service learning. Students will be required to complete 10 hours of service each year in grades 9-12 for a total of 40 hours. Service time must benefit a person in need or in some way improve the quality of life of the recipient. While there are some service projects that are part of the school year, students may need to participate in church and community activities in order to compile required hours. The Capstone Service Learning will include future planning elements. Students will use service learning experiences to plan their senior chapel.

**14. Academic Cheating:**

Cheating is a serious offense. Plagiarism, the illegal use or copying of another person's materials, reports, books or online articles, is considered cheating and will be addressed.

- A. **First Offense:** The teacher will call the parents immediately. The student will receive a 0 on the test or assignment.
- B. **Second Offense:** Parents will be notified immediately and the student will receive a 0 on the test or assignment. The student shall serve a one day in school suspension.
- C. **Third Offense:** Student will lose credit for the course.

## **Expectations for Student Conduct**

**Background:** Discipline and its application at Dakota Christian School is grounded in Scripture (see particularly: Proverbs 12:1, 13:18 & 24, 22:15; Ephesians 5:1-4; Hebrews 12; I Corinthians 13 and Revelation 3:19). Just as discipline and disciple come from the same root word, the full meaning and intent of discipline should be not only to correct behavior, but also to build up, encourage, and train a person in concepts as well as behavior that is pleasing to God. Discipline is ordained by God for the building of character and the training of behavior.

### **Aims:**

1. To honor and obey our God's commands to train and discipline His young people in a way pleasing to Him.
2. To develop and maintain a positive climate for truly Christian learning and achievement for all students.
3. To train students in positive habits that will help them to live Christ-like lives.
4. To maintain the overall integrity of and promote an accurate, Christ-like image for Dakota Christian School.

**Responsibilities:** Teachers and the administrator are responsible to God and to students' parents or guardians for the lives placed under their care. They are also held accountable by the laws of the United States and of the State of South Dakota to exercise a proper standard of care for the students entrusted to them.

Teachers and administrators must work with parents or guardians to discipline students, informing them in a prompt manner of actions taken, and making themselves available to the students themselves and to the parents for discussion and counsel. Parents or guardians are asked to cooperate as fully as they can with school personnel in matters of discipline. By sending their children and young people to DCS, parents or guardians agree to abide by all of its policies. The ideal objective of the involvement is to foster understanding, to challenge parent and student alike to supportive behavior, to enlist student cooperation and to build like-minded attitudes.

Since Christianity is a total lifestyle, biblical standards of behavior are expected of students at school and away from school while attending school-related events.

### **1. Discipline Definitions**

- A. **Corporal Punishment:** Corporal punishment is not to be used to discipline students at Dakota Christian School. Physical force, however, may be used by school personnel without notice and without prior explanation to students when the use of such force is essential for self-defense, for the preservation of order, to quell a disturbance which threatens others, to protect school property, and/or to protect other people on school property.  
Reasonable force should be in keeping with the necessities of the situation, and should be moderate enough to avoid permanent physical harm to the student(s) involved.
- B. **Detention:** Detention is time served before or after school for a predetermined amount of time as set by the teacher or other staff member. The student is assigned to the detention room to do homework or some other related school work. The principal or staff member may assign other school jobs when homework is not available.
- C. **In-School Suspension:** In-School suspension is the isolation of a student from the rest of the student body. Students in suspension will be kept working at all times, shall receive a "zero" for all daily work missed from classes, but will be allowed to make up any tests missed.
- D. **Out-of-School Suspension:** Out-of-School suspension is the removal of a student from school, upon a decision by the School Board's Education Committee, for up to ten days. Such action is reserved for severe cases of misbehavior or repeated misbehavior and the circumstances will be up to the Education Committee to determine.
- E. **Expulsion:** Expulsion is the permanent or semi-permanent removal of a student from school. The Education Committee will make a recommendation to the school board regarding the decision to expel and the conditions required for re-admittance. The school board will make the final decision.

### **2. Use of Alcohol, Tobacco, Vape Devices, or Illegal Drugs or being willfully present where these substances are used illegally, on a "per year" basis, will result in the following:**

- A. **First Offense:** One day In-School suspension. As part of the suspension, students will write a report on the effects of drugs, alcohol, vape, or tobacco.
- B. **Second Offense:** Two day In-School suspension. A conference will also be held with the students, parents/guardians and administrator before the student returns to classes. The student will also either attend 10 hours of drug/alcohol counseling or perform 10 hours of community service.
- C. **Third Offense:** Out-Of-School suspension, up to ten days, pending a conference with the student, parents/guardians, administrator and the Education Committee. Decisions could be made on whether the student will remain at DCS. The student will be evaluated for drug/alcohol addiction. Further penalties will be decided by the Education Committee on a case-by-case basis.
- D. In addition to the previous consequences, substance abuse by students will impact their eligibility for extra-curricular activities:

- 1) **First offense:** The individual shall lose eligibility in their sport for the following scheduled consecutive interscholastic events:

Basketball—8 events, Cross Country—3 events, Football—4 events, Track—5 events, Volleyball—7 events, Golf—3 events, Cheerleaders (same as event), Archery – 2 events, Trap – 2 events.

If the second violation occurs at the end of the school year, the suspension must be satisfied the next year. The penalty is loss of eligibility for six events or six weeks, whichever is longer. In fine arts, students must be suspended from at least one event.

Note: DCS is a tobacco-free school. Students are not allowed to smoke on school grounds. In regards to smoking/tobacco use, students who wish to receive help quitting will be referred to the school counselor or outside counselors.

3. **Sexual Promiscuity as Evidenced by Pregnancy** shall be dealt with as sensitively and as caringly as possible. Such an event will not affect the normal, base rights and privileges of students to receive an education; however, participation in extra-curricular activities will be prohibited.

Following the birth of the child or other non-abortive termination of pregnancy, the involved students may apply for reinstatement to eligibility for extra-curriculars through the normal appeals procedure.

Pregnant students will be permitted to continue in school in all instances with the sanction of the expectant mother's physician. If the administrator so recommends, a physician's approval of continued attendance must be on file at school. The administrator is authorized to make special arrangements for the instruction of pregnant students and to provide an educational program designed to meet their special needs.

4. **Overt and Clear Disrespect Toward School Personnel or Fellow Students** will result in, depending upon the severity and nature of the act of disrespect, detention, Saturday school, two-day In-School suspension, Out-of-School suspension, or expulsion. School authorities will act to investigate all complaints of bullying. Anyone found to have violated this policy is subject to discipline pursuant to DCS's student discipline procedure. This policy may not be interpreted to prohibit civil exchange or opinions or debate protected under the state or federal constitutions if the opinion expressed does not otherwise materially or substantially disrupt the education process or intrude upon the rights of others.

**17. Internet Use:**

**Introduction**

The Internet links thousands of computer networks around the world, giving Dakota Christian School students access to a wide variety of computer and information resources. The Internet is a tool—part of God's good creation. As with any tool, it can be used for good or evil. We see evidence of both. As a Christian school, we want our students to serve God through the use of the Internet. Our use must witness to Christ's Lordship.

Dakota Christian School does not have control of the information on the Internet. Some sites accessible via the Internet may contain material that is inappropriate for educational use in a K-12 setting. Dakota Christian School and the system administrators do not condone the use of such materials and do not permit usage of such materials in the school environment.

Dakota Christian School uses filtering software to screen incoming material or to block access to certain web site addresses. However, there is no guarantee that some objectionable content will not slip through. Trying to disable or circumvent the filters is grounds for withdrawal of Internet privileges or other disciplinary actions.

Dakota Christian School specifically denies any responsibility for the accuracy or quality of information obtained through its Internet accounts.

**Student Guidelines:**

Students are expected to follow all guidelines stated below as well as those given orally by the staff and to demonstrate ethical behavior in using the network facilities. Students are also expected to realize that the opportunity to use the network and Dakota Christian School facilities go hand in hand with using computer hardware, software, and the Internet in a responsible manner. Any actions that might harm the computer equipment or software, impair its effective use or show disregard for the proper procedures set up for network access will not be tolerated.

- A. Before use, all students will receive an overview of the aspects of security and ethics involved in using the Dakota Christian School network.
- B. Students may not allow others to use their account name and/or their password. To do so is a violation of the Acceptable Use Policy.
- C. Any action by a student that is determined by his classroom teacher or a system administrator to constitute an inappropriate use of the Internet/hardware at Dakota Christian School or to improperly restrict or inhibit others from using and enjoying the Internet is a violation of the Acceptable Use Policy, e.g.:
  - 1) Using, downloading, or transmitting inappropriate website material,
  - 2) Disregarding rules of honesty, courtesy, or integrity,
  - 3) Using outside application software of any kind—ever,
  - 4) Disrespecting copyrights, vandalism, hacking;
  - 5) Any abusive, vulgar communication, any form of bullying (including wallpaper changes), or
  - 6) Using DCS computers for private business or personal gain.
  - 7) Students will not use any forms of electronic mail, chat rooms or other forms of direct electronic communications that are not related to classroom assignments or work
  - 8) Any form of hacking.
- D. Transmission of material, information or software in violation of any school policy, or local, state or federal law is prohibited and is a breach of the Acceptable Use Policy.
- E. For security reasons the computer lab shall remain locked unless there is a class in session or a staff member present to supervise. Exceptions can be made based on individual need.
- F. Dakota Christian School will conduct a cyberbullying seminar and internet safety instruction with all students during the first weeks of school each year, instructing them on appropriate online behavior including interacting with other individuals on social networking websites and in chat rooms.

Violating the Acceptable Use Policy may result in:

- Restricted network access,
- Loss of network access,

- Disciplinary or legal action including, but not limited to, criminal prosecution under appropriate state and federal laws.

In order to ensure smooth system operations, the System Administrator and teachers have the authority to monitor all accounts. Every effort will be made to maintain privacy and security in this process.

Materials for class or study hall must be obtained from the locker before the class period begins. (Please do not expect to leave a class or study hall to get materials.) Lockers will be inspected at random throughout the year.

**21. Medications:**

Medications must be controlled by the school office under federal and state law. Parents are asked to consider the potential dangers of medications brought to school. No medication will be administered without the written request of a parent and/or the directive of a physician.

**22. Off-Campus Student Transportation Policy:**

Any student participating in an off-campus, school-sponsored event of any kind must ride in school-provided transportation both to and from the event. School-provided transportation is defined as an authorized bus or designated carpool. Once the event is over, students may ride home with their parents if the teacher or coach in charge of the event grants permission to do so. Permission should be obtained in advance if possible. If the school does not provide transportation to an off-campus school-sponsored event, then the students are permitted to make their own arrangements to and from an off-campus school-sponsored event.

**Note:** DCS fans are not considered participating students and are not subject to this policy.

**23. Personal Items:**

Backpacks, books, clothing, and other personal items are not to be left in the hallways, lockers, or gym. Lockers must be shut when not in use.

**24. School Spirit:**

School spirit is important and influential in the life of our school. We encourage our students, staff, and supporters to be loyal to the school, to be cooperative in its programs, and to be responsible for creating a positive atmosphere.

**25. Sportsmanship:**

- A. Sportsmanship is the quality of honor that is always courteous, fair, and respectful to the opposition, officials, and guests. All of our players, spectators, coaches, and school officials must set good examples of sportsmanship as Christians first and members of the South Dakota High School Activities Association second.
- B. We will conduct ourselves in a manner which will at all times and under all circumstances be pleasing to our Lord Jesus Christ. Therefore,
  - 1) We will practice fair play in both reality and spirit and always observe the Golden Rule.
  - 2) We will treat our opponents as the personal guests of DCS.
  - 3) We will respect the rights of others, the officials' decisions, the American flag, and the national anthem.
  - 4) We will show appreciation and respect to the teams by staying throughout the entire game, no matter what the score.
  - 5) We will show appreciation for the band, drill team, cheerleaders, and the opposing team.
  - 6) We will show appreciation for our team with praise for victory and encouragement in defeat.
  - 7) We will win without boasting and lose without excuses or blame.

**26. Student Council:**

Student Council represents the voice of the DCS student body. Each class will elect two voting representatives. The student body will elect a President and Vice-President who will run meetings, set the agenda (in conjunction with the faculty advisor), and provide leadership for the council. The President will chair all meetings, but will not vote. The Vice-President will vote only in case of a tie.

The Council will promote the spiritual, social, academic, recreational, and cultural welfare of DCS. The faculty, administration, and board welcome suggestions and requests from the Student Council that are submitted properly and officially in writing.

**27. Study Halls:**

Study halls are meant for studying. We are accountable to God for our use of time. A study period is to be treated as a class. All class rules apply.

Seniors may use their designated spot. They must check in with their study hall monitor before going to their designated spot.

**28. Telephone Use:**

The telephone in the office is reserved for official business.

**29. Textbooks Use:**

The textbook deposit fee is a one-time charge for fifth grade students. Students are expected to treat their textbooks with reasonable care. However, if any textbook is returned with excessive damage, the student responsible for the damages will be charged for repairs or replacement of the textbook. These expenses will be

deducted from the deposit. Any remaining money will be refunded at graduation or transfer to another school. Expenses in excess of the deposit will be charged to the student.

**30. Visitors to School:**

Visitors are always welcome. All visitors will report to the office and receive permission for their visit. All visitors are advised to follow school rules during their visit.

**31. Withdrawal from School:**

- A. Any student indicating the intention of withdrawing from school is asked to continue to attend school for 3 more days. During these three days, the student will meet with the counselor to discuss the reasons for leaving school, the student's plans for the future, as well as the student's present academic standing. The student, along with the parents, counselor, and administrator will review all pertinent information and give their recommendation.
- B. If, after all of the above has taken place, the student still wants to leave school, then a final meeting will take place between student and counselor to discuss occupational alternatives available to the student.
